TO THE 1988 GRADUATING CLASS OF WEEQUAHIC HIGH SCHOOL

AT THIS MEMORABLE TIME IN YOUR LIVES, I WOULD LIKE TO OFFER MY SINCERE CONGRATULATIONS FOR YOU HAVE MADE YOUR IMPOSSIBLE DREAMS, AND THOSE OF YOUR PARENTS A REALITY.

THROUGH YOUR EFFORTS AND YOUR DETERMINATION TO ACHIEVE A QUALITY EDUCATION, YOU HAVE TAKEN THE FIRST OF MANY STEPS TOWARD A LIFE THAT I HOPE WILL BE FILLED WITH RICH AND REWARDING EXPERIENCES. AS YOU CLIMB UPWARD, YOU MUST CONTINUE TO CONQUER THOSE OBSTACLES THAT YOU WILL MEET WITH PERSISTENCE AND PERSONAL RESOLVE TO ACHIEVE INDIVIDUAL AND PROFESSIONAL GOALS.

THIS YEARBOOK REFLECTS YOUR YEARS AT WEEQUAHIC HIGH SCHOOL. THE MEMORIES MAY VARY, SOME POSITIVE AND OTHERS NOT AS PLEASANT. WHATEVER YOUR PERCEPTION, THE OPPORTUNITIES WERE HERE AND YOU RECEIVED EXACTLY WHAT YOU GAVE. WE AS ADMINISTRATORS AND TEACHERS TRIED OUR BEST TO PROVIDE THE EDUCATIONAL ENVIRONMENT WHICH WAS CONDUCTIVE FOR LEARNING BECAUSE OUR EFFECTIVENESS AND EFFICIENCY AS EDUCATORS ARE MEASURED BY YOUR SUCCESS OR FAILURES.

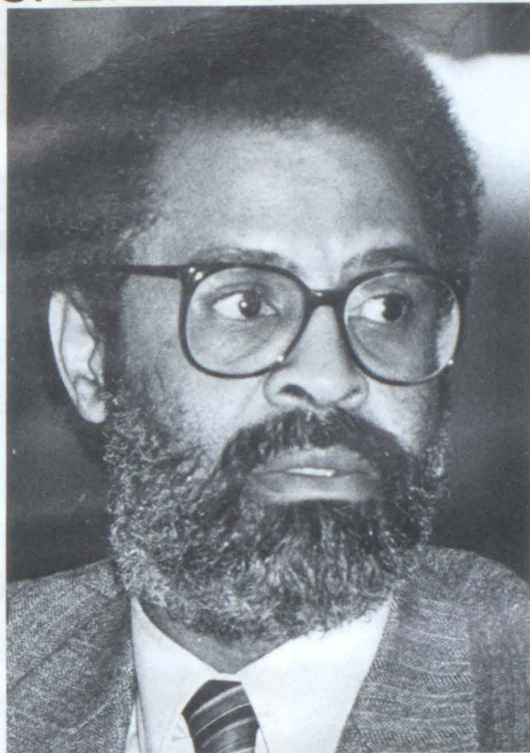

I WISH YOU THE BEST, AND I BELIEVE THAT IF YOU APPLY THE KNOWLEDGE AND THE SKILL LEARNED AT WEEQUAHIC HIGH SCHOOL, YOU WILL SUCCEED AND YOU WILL BE AN ASSET TO OUR COMMUNITY AND OUR WORLD.

YOURS TRULY,

LAWRENCE MAJOR
PRINCIPAL

EUGENE C. CAMPBELL
EXECUTIVE SUPERINTENDENT

December 8, 1987

Congratulations,

We salute you for your perseverance, diligence and desire to complete this very important chapter in your life.

Your diploma represents many things: four years of study, lifelong friendships, and the discipline and wisdom to meet all the standards of your school district and the state of New Jersey required for graduation.

As you celebrate the commencement of your high school education, understand that it is the beginning of different directions, challenges and decisions. The road you choose to travel through life will determine how well you deal with the many awesome responsibilities you will encounter. The world is complex, competitive, demanding and in need of positive, creative, drug-free citizens. Do not be discouraged if adversity confronts you, as it surely will, nor be overwhelmed by success for it can be a fleeting illusion. Face adversity and success with conviction and principle and the mirror will not haunt you.

As you reflect upon your years at Weequahic, enjoy your memories. Many years from now you will open this yearbook of 1988 and determine how far you have gone and what contributions you have made to the world. We hope that the Newark school district has played a positive role in your development as a human being. Do not forget those who will need your guidance.

Sincerely,

A handwritten signature in dark ink, appearing to read "Eugene C. Campbell". The signature is fluid and cursive, with a large initial "E" and a stylized "C" and "B".

CONGRATULATIONS GRADUATES OF 1988!

You have reached one of the most important milestones in the continuance of your advancement along the avenue of life — that of graduating from high school.

According to most statistics regarding the percentage of students who graduate from urban schools, and based on some of the personal, social and peer problems that you have been confronted with, you are not supposed to graduate. But you have persevered through trials, hardships and misfortunes, and here you are — graduating from Weequahic High School!

Malcolm S. Forbes stated, "Education's purpose is to replace an empty mind with an open mind". All I ask and pray is that each of you keep an open mind, continue to grow in knowledge, continue to think well of yourselves and others, continue to set high goals and strive for them, and continue to make us proud of you.

Norma F. Brown
Vice Principal

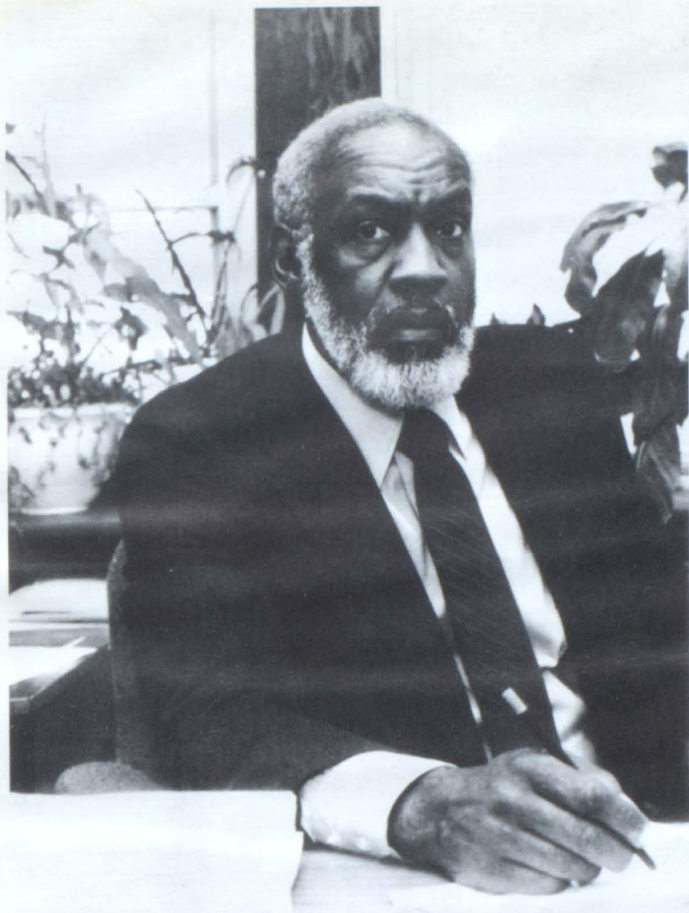

Congratulations, you have achieved one of many milestones in your lives. Only if you continue to strive for all that you can be will you find success.

Be prepared so that when opportunities present themselves you will be in a position to take advantage of them.

Set your sights high. Strive always to be the best. Best wishes to all of you for a bright and exciting future.

Sincerely,

Louis Passanante
Vice Principal

I extend warm congratulations to our 1988 graduates and wish you an abundance of blessings in the years ahead. You should always realize that success is not a destination, but a journey.

Hopefully, we have helped you to develop values that have become the solid foundation upon which you continue to build.

May God be with you every step along the way.

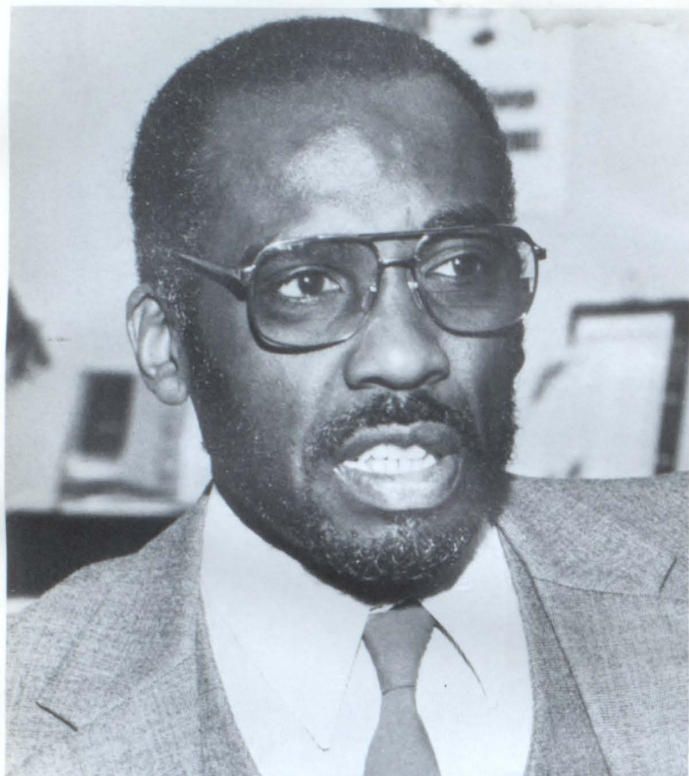

Jack Defares
Vice Principal

"We sometimes see an individual who seems to have fallen exactly into his right place. And what perfect satisfaction appears in his air and behavior, how harmoniously all his powers are developed. And with increased efficiency he works!"

This passage from Emerson's "Find Your Calling" adroitly expresses my feelings for a group that possesses the ability to out perform all others. Carbon copies are discarded and fall by the wayside, individuals create differences. Choose to make a difference in life.

Benjamin O'Neal
Vice Principal

FINE ARTS AND ...

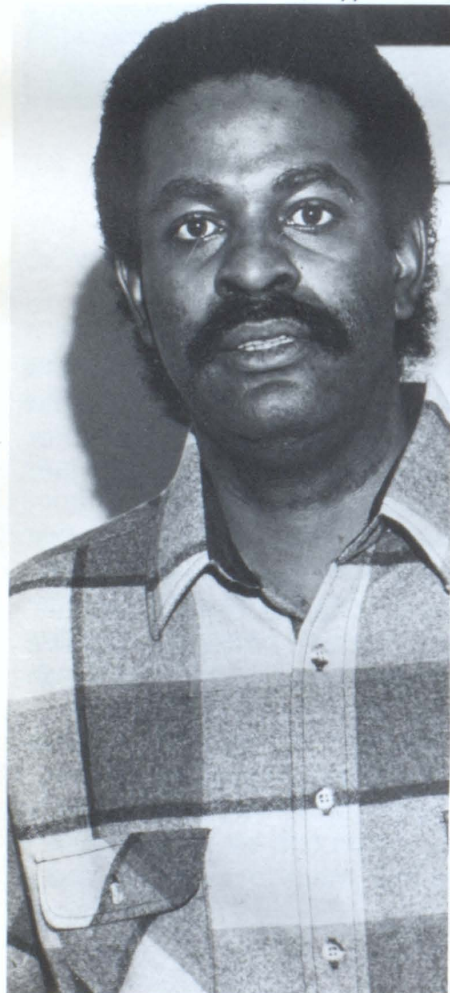

William Phipps, Chairperson

Our department is the most exciting and creative, because our skills are measured by aesthetic values and performance.

As artists, our work is exhibited and judged by whether you like what we portray on canvas. As musicians, if you listen you will like our melodic and lyric sounds. Finally, as linguists, our ability to communicate in a foreign tongue has helped us to become universal.

Our marching band and jazz ensemble is the best in our city. Weequahic's art students finished first in three of the top Poster Contests last year.

Listening to the foreign language classes drill or their rote warm-ups will tell you how enthusiasm and fun makes learning a pleasure.

GUIDANCE DEPARTMENT

Margaret Robinson
Head Counselor

The guidance counselors give us direction for the future. Not only do they help us choose colleges, but courses best suited for our majors.

For those not interested or prepared for college, our counselors open doors for careers.

Military personnel work closely with counselors for those interested in the armed forces.

ENGLISH

June Wigfall, Chairperson

Maxine Boatwright

Eloise Cooper

Janice Findley

Jacqueline Floyd

Your recollections of experiences in each of the four levels of English should be many. Do you remember the short stories and the poems to which you were introduced? What about the plays and the novels you were required to read? And when you became a senior, you were told to recall all of the skills that you had accrued in grammar mechanics for the writing of a term paper, the literary criticisms and the book reviews.

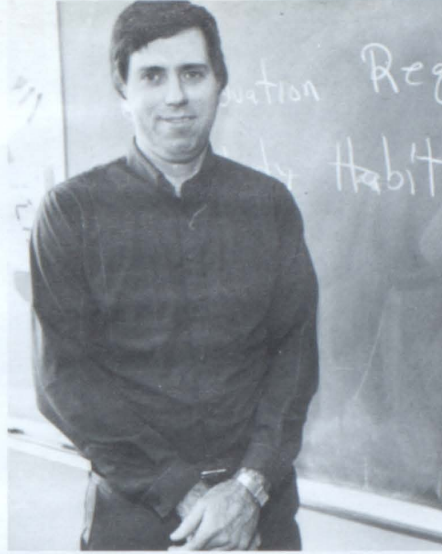

The collection of authors that you know are a mere "tip of the iceberg" - from Steinback to Wright to Salinger to Thoreau to Walker. The great English Bard from Stratford-on-Avon up to Dickens should jar your memory of the many types of assignments in writing, reading and memorization to which you were exposed.

Presently, these experiences may not mean much when you are faced with plans for your future. The English teachers wanted to show you effective communication skills, and they also wanted you to critically think about what you had read and discussed in each of your classes in order to ensure adequate preparation for your years of adulthood. We could not do it all, but we tried to do our best.

Albert Mattia

Bruce Bennett, Chairperson

The Science Department here provides a comprehensive four year program for students interested in furthering their education at the college level.

Students may select a variety of courses in the Junior and Senior year, including Chemistry II, Ecology, Earth Science or Anatomy/Physiology. Prerequisites of academic success and teacher recommendations are necessary for the college bound student to enroll in either the Anatomy/Physiology or Chemistry II program.

A change has occurred in the Freshman Science scheduling allowing only incoming Ninth graders to take General Science. This new direction for Freshman will give students greater flexibility in the upper grades to select additional Science courses. As Sophomores, they may choose to take Chemistry I and then, as Juniors and Seniors, they will be able to select from a wider variety of offerings.

SCHOOL NURSES DO MORE THAN FIRST-AID

School health services are an important component of the activities within a school. Health services are largely the responsibility of the school nurse, but effective delivery of these services requires the cooperative efforts of the school administrators and the entire school body.

The school nurse is a health service specialist who assists pupils and staff in attaining and/or maintaining optimum health and promotes positive health habits and attitudes.

When we need more than the guidance counselors can offer, we can always rely on Mrs. Connie White or Ms. Lorraine White. They not only offer advice, but a friendly ear as well. Mrs. C. White helps us deal with personal and social problems, while Ms. L. White helps us deal with the growing problems of drugs.

HEALTH AND PHYSICAL EDUCATION

The department goals in the area of health are to develop fundamental skills essential to personal fulfillment such as: reading, thinking logically critically, and communicating effectively. Throughout the four years of Health Education we have tried to input values, interests, and habits, which are founded upon sound ethics, spiritual and moral concepts. We also want each student to develop skills that will help recognize problems and the possible wise solution.

In Physical Education classes the goal is to give the greatest possible development to a pupil's physical powers, habits and character. In accomplishing this goal the department will exercise initiative, ingenuity and creativity. The Physical Education Department tries to develop an awareness and a set of experiences, which will promote characteristics of good sportsmanship, honesty and cooperation. Last, but not least, we try to provide a variety of seasoned and life-long activities that will contribute to the way of living.

SOCIAL STUDIES

Robert Hollander, Chairperson

Congratulations and best wishes to the class of 1988. The Social Studies Department sincerely hopes that you are ready to assume your role in society. Many of you took advantage of the opportunity that was afforded you and are registered voters. Be ready to cast your ballot for those persons that you believe in. It is only a fool who feels helpless and refuses to work for change.

Use the knowledge that you learned in your classes. Be proud of the fact that you are a citizen of the greatest country on the face of the earth. You are limited only by the size of your dreams. Today's dreams can become tomorrow's reality if you are willing to pursue them. Martin Luther King, Jr. had a dream about a world filled with love and human dignity. What's yours?

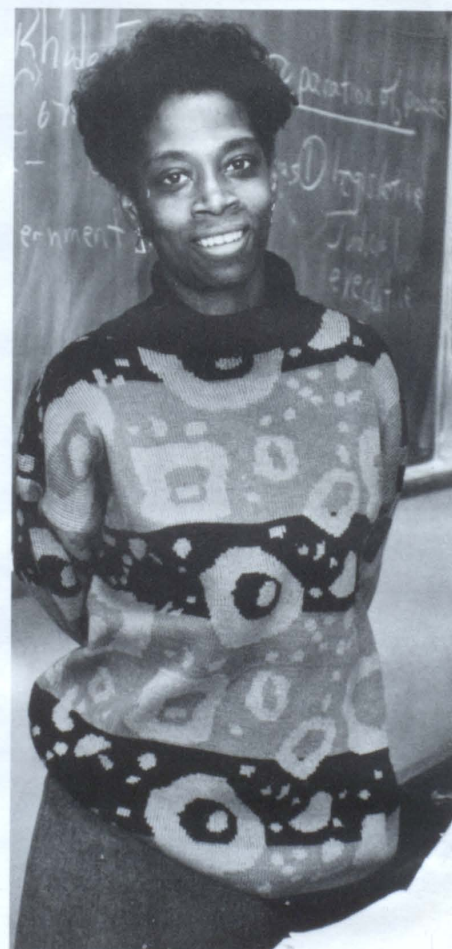

God Bless!

BUSINESS

The Business Education Department makes an important contribution to the students in the development of economic literacy with stress on ethics and standards, in their preparation for the dramatically changing workplace by the development of marketable skills, and a continued emphasis on basic skills that allow for improved organization of work, effectiveness in communication and successful interaction with others.

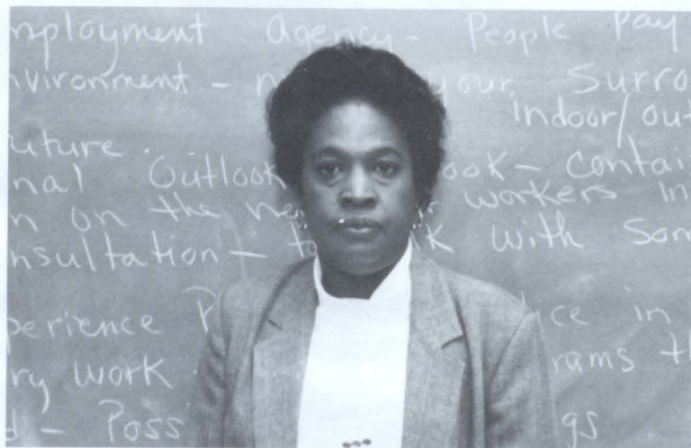

Keyboarding and word processing skills are important outcomes learned in computer and typewriter courses. Students are assisted in establishing an awareness of personal interests and capabilities for the purposes of career planning assistance.

BASIC SKILLS

Fred Moscatiello, Coordinator

The Basic Skills Department provides instruction in Reading, Writing, and Math skills as assessed by performance on the New Jersey High School proficiency test. Once a student passes the HSPT, he is no longer eligible, nor is he required to attend the Basic Skills classes. The program, which emphasizes individual student strengths and weaknesses, is strictly monitored by Federal and state mandates.

MATHAMATICS

The Math Department offers College Preparatory courses for college bound students who will be preparing for further study in such fields as science, industry, and business.

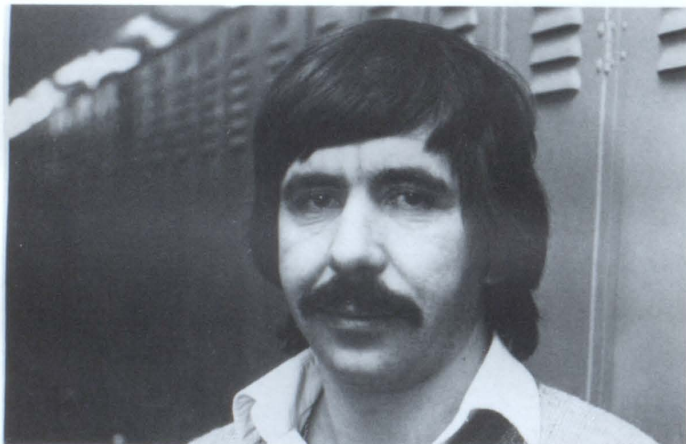

High School Proficiency Test Mathematics is offered to those students who need individualized instruction and remediation in Basic Skills.

Students are required by the state to complete two years of math. However, students at Weequahic are encouraged to complete four years of math upon graduation.

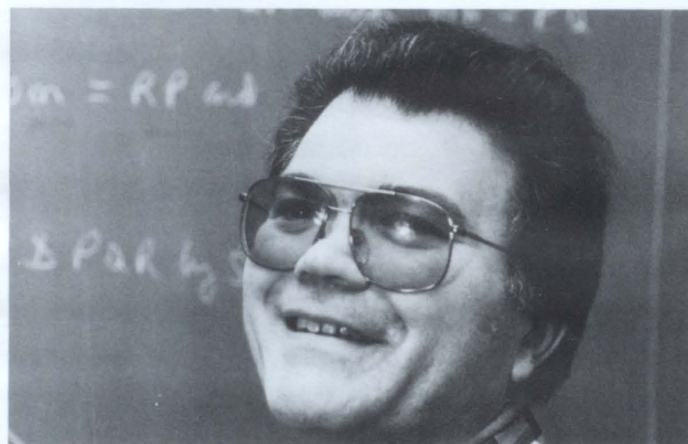

The courses offered are: High School Proficiency Mathematics (Basic Skills), Pre-Algebra, Algebra I & II, Geometry, Consumer Math, Trigonometry, Advanced Algebra and Advanced Geometry.

M.W. To forgive is divine.

K.W. An expert is someone who knows more and more about less and less.
-Butler

B.W. I have fought a good fight, I have finished my course.

D.W. We've only just begun.

G.W. That may not be as strange as it seems.
J.W. Yeah! That sounds like a thrill a minute.
K.W. That's the way I like it.
P.W. Ladies love Cool J and you know that.
S.W. I can't take all these double-edge compliments.
T.W. The fact of the matter is

Best Foot Forward

Give in a bit, put your pride aside,
Start over, and give a lot more.
You have a choice, you fit the need,
Just put your best foot forward.

You know just how to set the pace,
Playing by the rules.
You've considered the knowledge
Of a thousand wise men,
And not of a hundred fools.

And it is soon that you shall leave,
From us you shall descend
You'll be your only regulator,
As the lessons of life will never end.

Put your best foot forward and
soon you shall in life see
of all dear pleasures of happiness,
and of leisures luxuries.

So learn the rules of compassion
And continue not all unneeded strife,
Just put your best foot forward
And you shall succeed in life!

Gavin Kneeling: Charlie Mayhew, Jr. Forward, Jermaine Davis, Soph. Guard, Terrance Uzzell, Soph. Guard, John Hollins, Sr. Guard Missing: Dwan Parker, Jr. Forward, Leroy Jackson, Soph. Guard

The Weequahic Boys Basketball Team had a very successful 1987-88 season. The team finished the season with a record of 18-8, and a second round finish in the New Jersey State Tournament.

Although the team lacked much experience, their outstanding season can be attributed to hard work and dedication by all the team members.

One of the special highlights of the season was an 88-79 victory over arch-rival Shabazz Bulldogs.

The Indians were led for the most part of the season by Corey Taylor and Ronald Beal. Both players were selected to the all-city team for their outstanding contribution and teamwork with the Indians. Other outstanding players during the season were, Maurice Leake, Stafford Washington, Perry Ford, Jermaine Davis, Charles Mayhew and Marcus Alexander. "Let's go Weequahic! Let's go!" ON TO VICTORY!

HIGH, HIGH, HOPES!

Coach, Bill Hicks

Marquis Porter and Ronald Beal

Maurice Leake, Marquis Porter, Edward Reuben, Darius Beachum, Ronald Beal, Sonnie Berrium, Roland Tucker, John McIver, Charles Pamplin

Coach Bill Hicks will begin his fifth year as Head Coach of Baseball with High Hopes for city title. His teams have never finished less than second in the city chase.

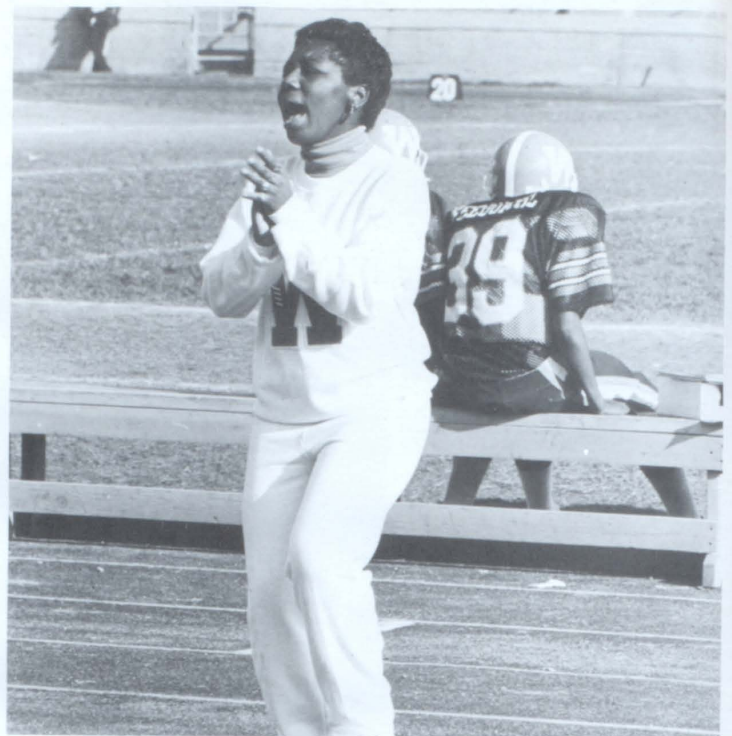

Leading the way will be Maurice Leake and Marquis Porter in the most important aspect of the year. Chuck Pamplin will handle the catching and also stroke the long balls. Ron Beal will again lead the team in the speed department with stolen bases. Golden Glove Ed Reuben at first base will also give support with his bat.

New comers Jim Montgomery, Cory Taylor, Jim O'Neal, Terrance Leake, and Roland Tucker from last year's J.V. Team: are making the coach smile this year banging hits and playing great ball in Pre-Season.

Look for our Indians to be Chief of the league this year!

Peer Counsellors

The Peer Counsellors at WHS are certainly strong on good ethics. They devote time during and after school to talk out problems with peers and direct them to the correct professional resources at Beth Israel Hospital; which is mainly responsible for training of the Peer Counsellors.

The growth of this program is virtually viewed as an expansive one. It provides counselling for the entire student body if needed.

The demand for Peer Counselling in a high school setting is forever growing. WHS is fortunate to have such a successful program to offer to its student body.

AN ABUNDANCE OF TALENT

WHS MARCHING BAND

WHS Marching Band is well known for its good sounding qualities and exceptional performance. It also plays an important role in the social life of the school.

These talented musicians under the direction of Mr. Otis Brown is highly viewed as a major part of Weequahic's tradition, along with the Band Front and their advisor Ms. Connie Motley.

The Marching Band participates in many festivities, parades and games within the state of New Jersey, Delaware and Connecticut.

HOMECOMING PAGEANT!

HOMEcoming

There was a clear instance of enjoyment during WHS Homecoming Parade. All participating groups showed great standard of performance and notable soaring spirits while observing the parade. As for the variety, the parade consisted of marchers, Homecoming King and Queens, WHS Marching Band, the Pep Squad and many more participants.

Once the parade was over Homecoming was once again a big success. The football team played Shabazz H.S. Needless to say, preparing for Homecoming was well worth it.

Academic excellence, perfect attendance, and service help are highly recognized at WHS. At the end of each grading cycle, students who have maintained academic excellence, perfect attendance, and rendered their services to WHS, are taken off campus to lunch and invited to special assemblies.

These students have portrayed a sense of pride and respect for their school.

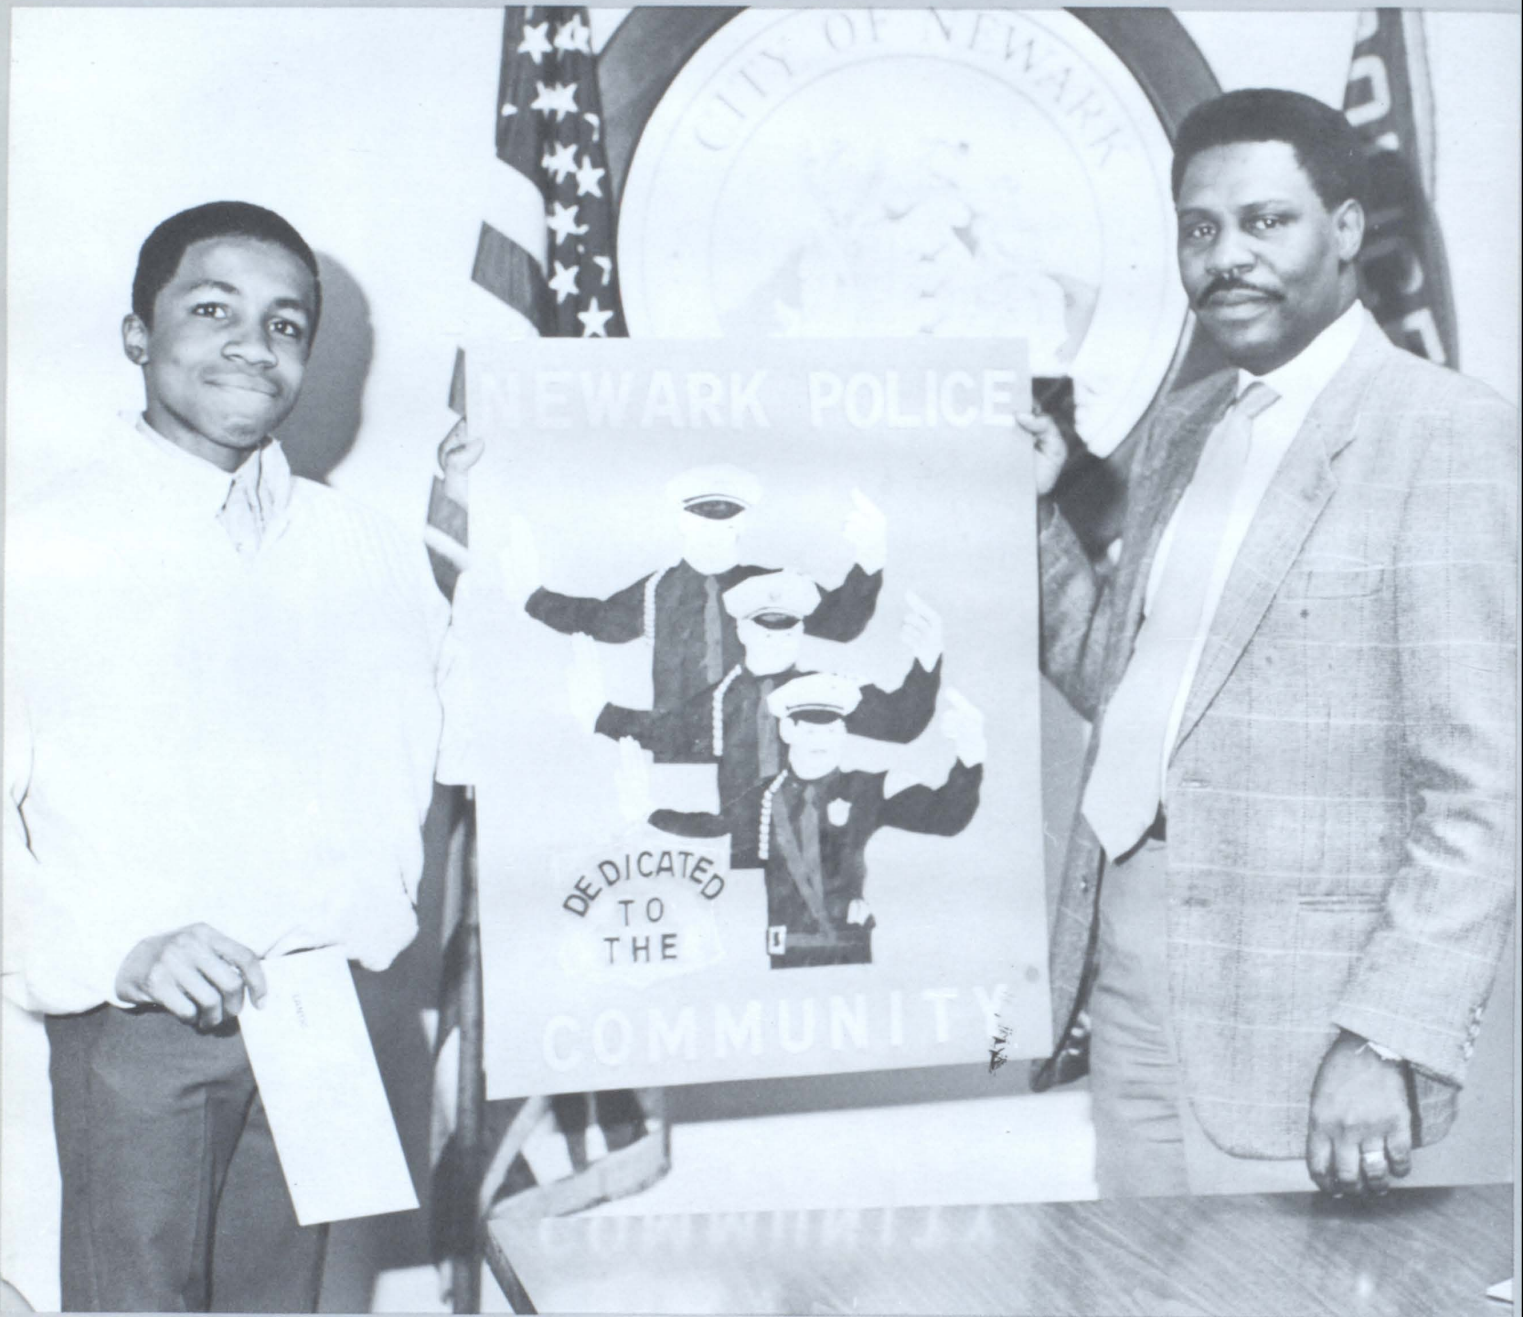

The students were able to see and hear certain recording artists such as New Jersey's own CeCe Rogers who recorded "Some Day". These students also assembled with Bahamian Diet founder - Dick Gregory, Councilman at Large - Ralph T. Grant Jr., Andy Headen - Giant Linebacker, Hafiz Farid, Alim Muhammad, Pepsi Cola Representative, Cosby Show Carl Payne and many more.

These kind of programs encourage other students at WHS to aim higher for their education. "NEWARK STUDENTS LOVE SUCCESS!"

Newark Police Poster Contest

WHS talented student Paul Swindell won first prize in the 1987 City Wide National Police Week Poster Contest. Paul was reward a \$100.00 U.S. Savings Bond. He is currently completing another poster for the 1988 contest in which he intends to win. Paul's Art teacher is Mr. Arthur Coles Jr.

Paul Swindell and Police Director, Mr. L. Greenleaf

These students were winners in the poster contest.

FACULTY FOUL-UPS

Naw man, you can't come in here!

Are you sure that's a business call?

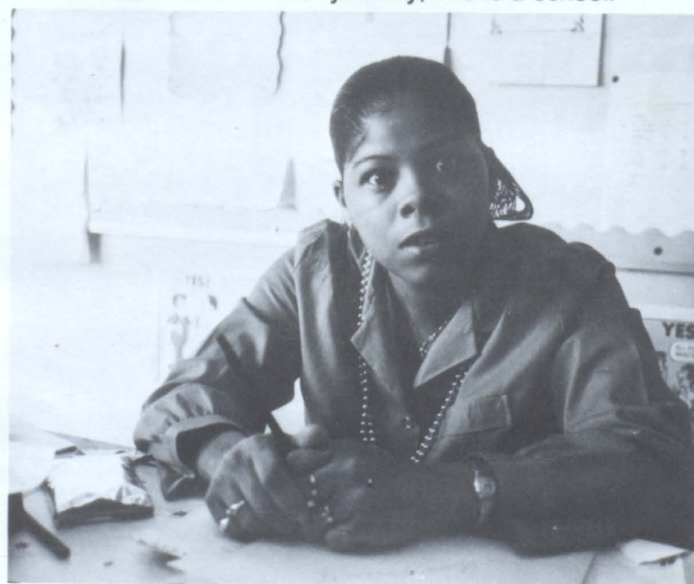

They said I could leave at 2:30.

Regardless to what you say, this is a school.

Yea — We be chillin'. We bad.

I'm not surprised, this is my natural look!

BLUNDERS AND BLOOPERS

Not the rope, take my glasses!

I'm not eating anything, that's an abscess!

I already told her not to use the phone.

There was a time when I used to use my hands.

Connie's tea'll do it to ya every time. Hiccup!!

It's not a pie I'm holding behind my briefcase!

I am there in your darkest
I am perplexed and
I love to all, a
I want to be acc
I am lost in
I am hatched in my
I am my emotions
I am loosen my burden,
Thank God, that you are there
When I have no desires to care
Letting down my defenses,
You fill me full of happiness,
with constant moods of intense.
No woman can live without her man
That masculine need for life,
Giving him that extra go,
and that compassion to care.
When I feel my darkest
Have fallen into a pers
You send a light so blinding my dear,
That I'm bound to change direction
I love you with an extreme passion my dear
One as merry as your smile,
Fill me full of joy my dear,
With your vivacious style
When you need me just call me,
I've got so much love to share
Tell me that you love me,
and that you'll always be there
Your love is there like a mountain
Your abilities cannot be
When my poor heart is
My heart shoulder you a
No woman can live without her man
That masculine, loving fire,
Knowing just what he deserves
and giving it to him be
When on the sandy floors of the beach,
We talk about each other
How two people who were once friends
Grew to become lovers
I will be with your forever,
No two worlds could keep us apart,
As you are physically in my eyes,
And emotionally in my heart.
You give my flame a more repelling fire,
Your charms I do adore,
Yet it is in my mind, a pressing thought,
Can I possibly give you more?
Not a bit less than what I need
Now too much that I cannot bare.
My love what would I do without you?
Thank God that you are there!

CLASSY SOUNDS AND ALL THAT JAZZ

As demonstrated at Weequahic High School, music is everything to be heard. The Jazz Band at WHS directed by Mr. Otis Brown shows the essence of music through the use of fundamental rhythm, music theories, and practice of music.

The distinctly musical characteristics of our Jazz students seem to have great influence in a way in which they successfully elucidate musical techniques and performance in captivating their audience. ALL IN JAZZ!

Craig Wallace - Drums, Joel McLeod - Guitar

COMPUTER HIGHLIGHTS

The computer education and technology division of the Newark Board of Education has been recognized as a leader in bringing new and innovative computer education programs to urban schools. Educators in the Newark school district had at least one advantage when they began their quest for an automated instructional management system. It's called commitment.

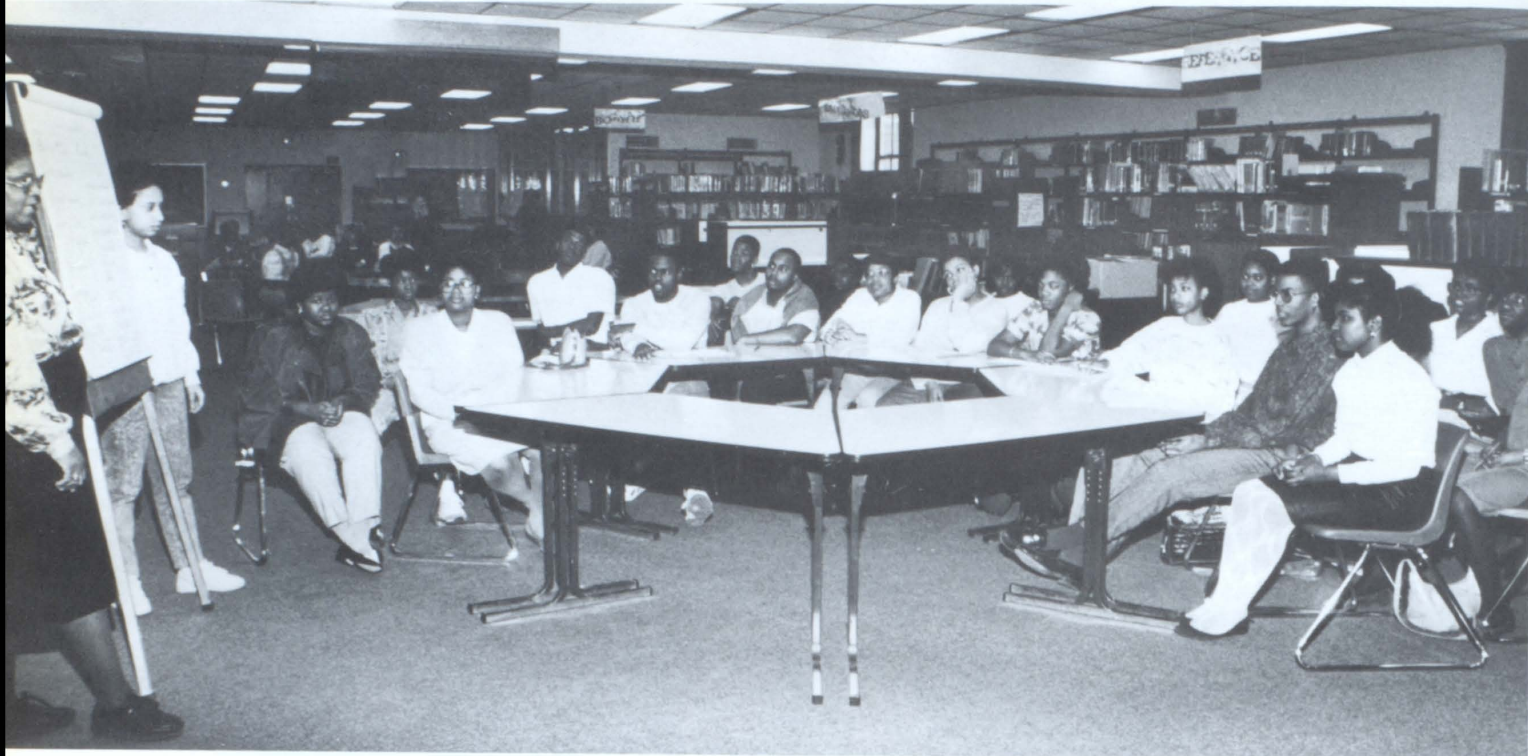

The computer-based system was first used in the district in 1985 with Macmillan reading objectives - the basal for the district. Ten pilot schools were part of the initial installation with subsequent installations made in increments of 10. Since the first pilot, a math component has been added that uses district defined objectives with three different textbooks.

It is not unusual for Mr. Grompone, Computer Club Advisor and his club members to be actively busy day after day at their computer. Through their commitment, these students learn to operate and run programs that reinforce their academic abilities while mastering reading, writing, and math objectives. "Our Wiz-Kids have that drive to boot any system's program."

This Too Will Pass Away

If I can endure for this minute
Whatever is happening to me
No matter how heavy my heart is
Or how dark the moment may be
If I can remain calm and quiet
With all the world bustling about me
Secure in the knowledge God loves me
When everyone else would have given up
If I can but keep on believing
What I know in my heart to be true
That darkness will fade with the morning
And that THIS WILL PASS AWAY, TOO
Then nothing in life can defeat me
For I know God will break all the chains
That are binding me tight in THE DARKNESS
And trying to fill me with fear
For there is NO NIGHT WITHOUT DAWNING
And I know that MY MORNING is near

For though my weeping may endure for a night,
My joy shall be saved in the morning.

Psalms 30:5

How Can We Say Good-Bye?

It's hard to say good-bye to someone dear,
With the fun we had from year to year.
Knowing life is so very brief,
Causes us to cradle memories along with our
grief.
The friendship you gave us was kind and true,
Your love and affection we always knew.
Our lives have been deeply shattered with
tears
Wishing you were still here to help calm our
fears.
Schiquier, God wanted you to take your rest,
To join His angels and all heaven's best.

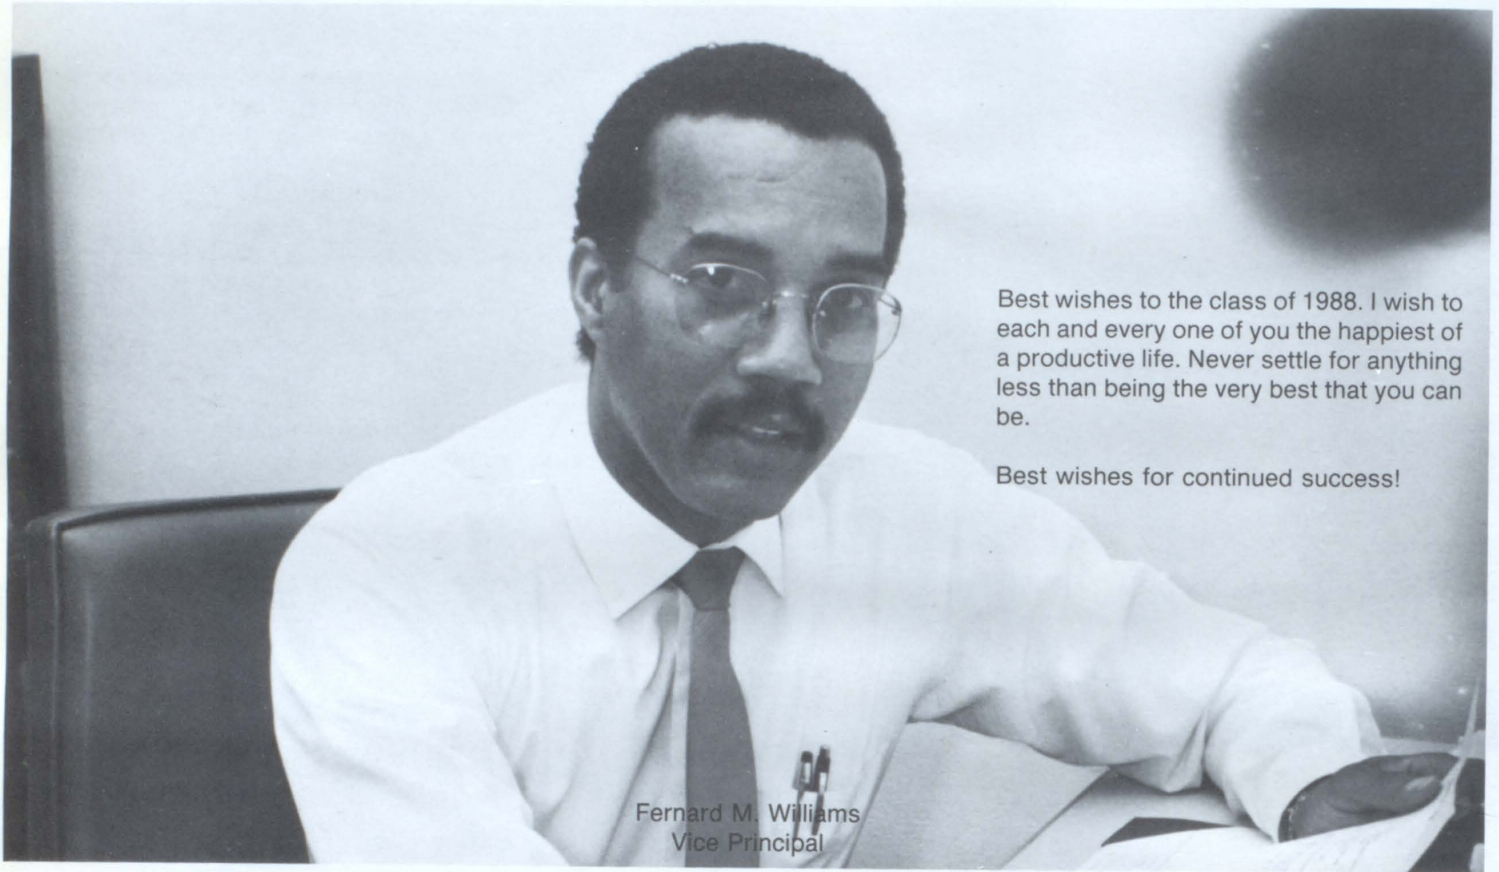

Loving You Forever

WHS Tutorial Program

The after school tutorial program offers extra help to all students in all subject areas. There are over 250 students in the program which operates from 2:30 to 3:30, Monday through Thursday.

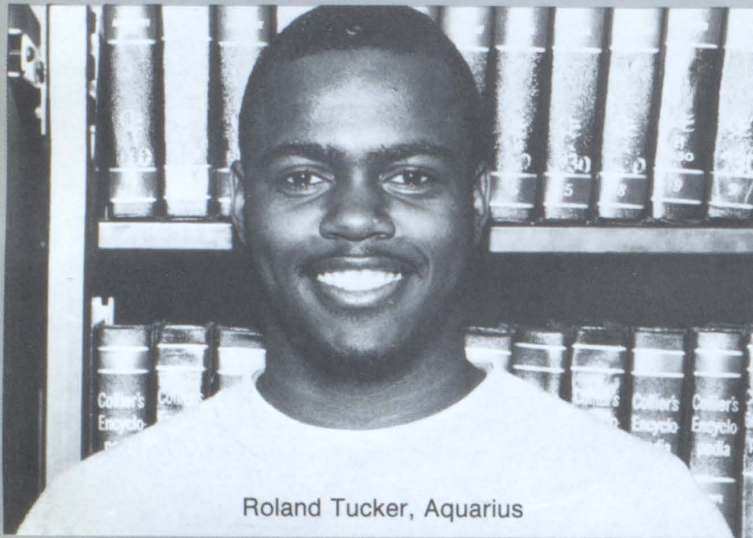

This program helps students toward greater academic progress. The students involved in WHS Tutorial Service feel as though it is a very good experience and they are able to learn at their own pace in a smaller setting.

Most of all these students are satisfied with their classroom progress due to vast improvement in their grades.

This program is under the guidance of Ms. J. Herr.

Testing — Testing 1 — 2 — 3 — Testing

"Okay everyone, take everything off your desk except your number 2 pencil." Listen carefully to all of the directions and follow them exactly. Work carefully and try to get as many questions right as you can. Do not spend too much time on any one question. If you do not know an answer, make the best choice you can and then go on to the next question.

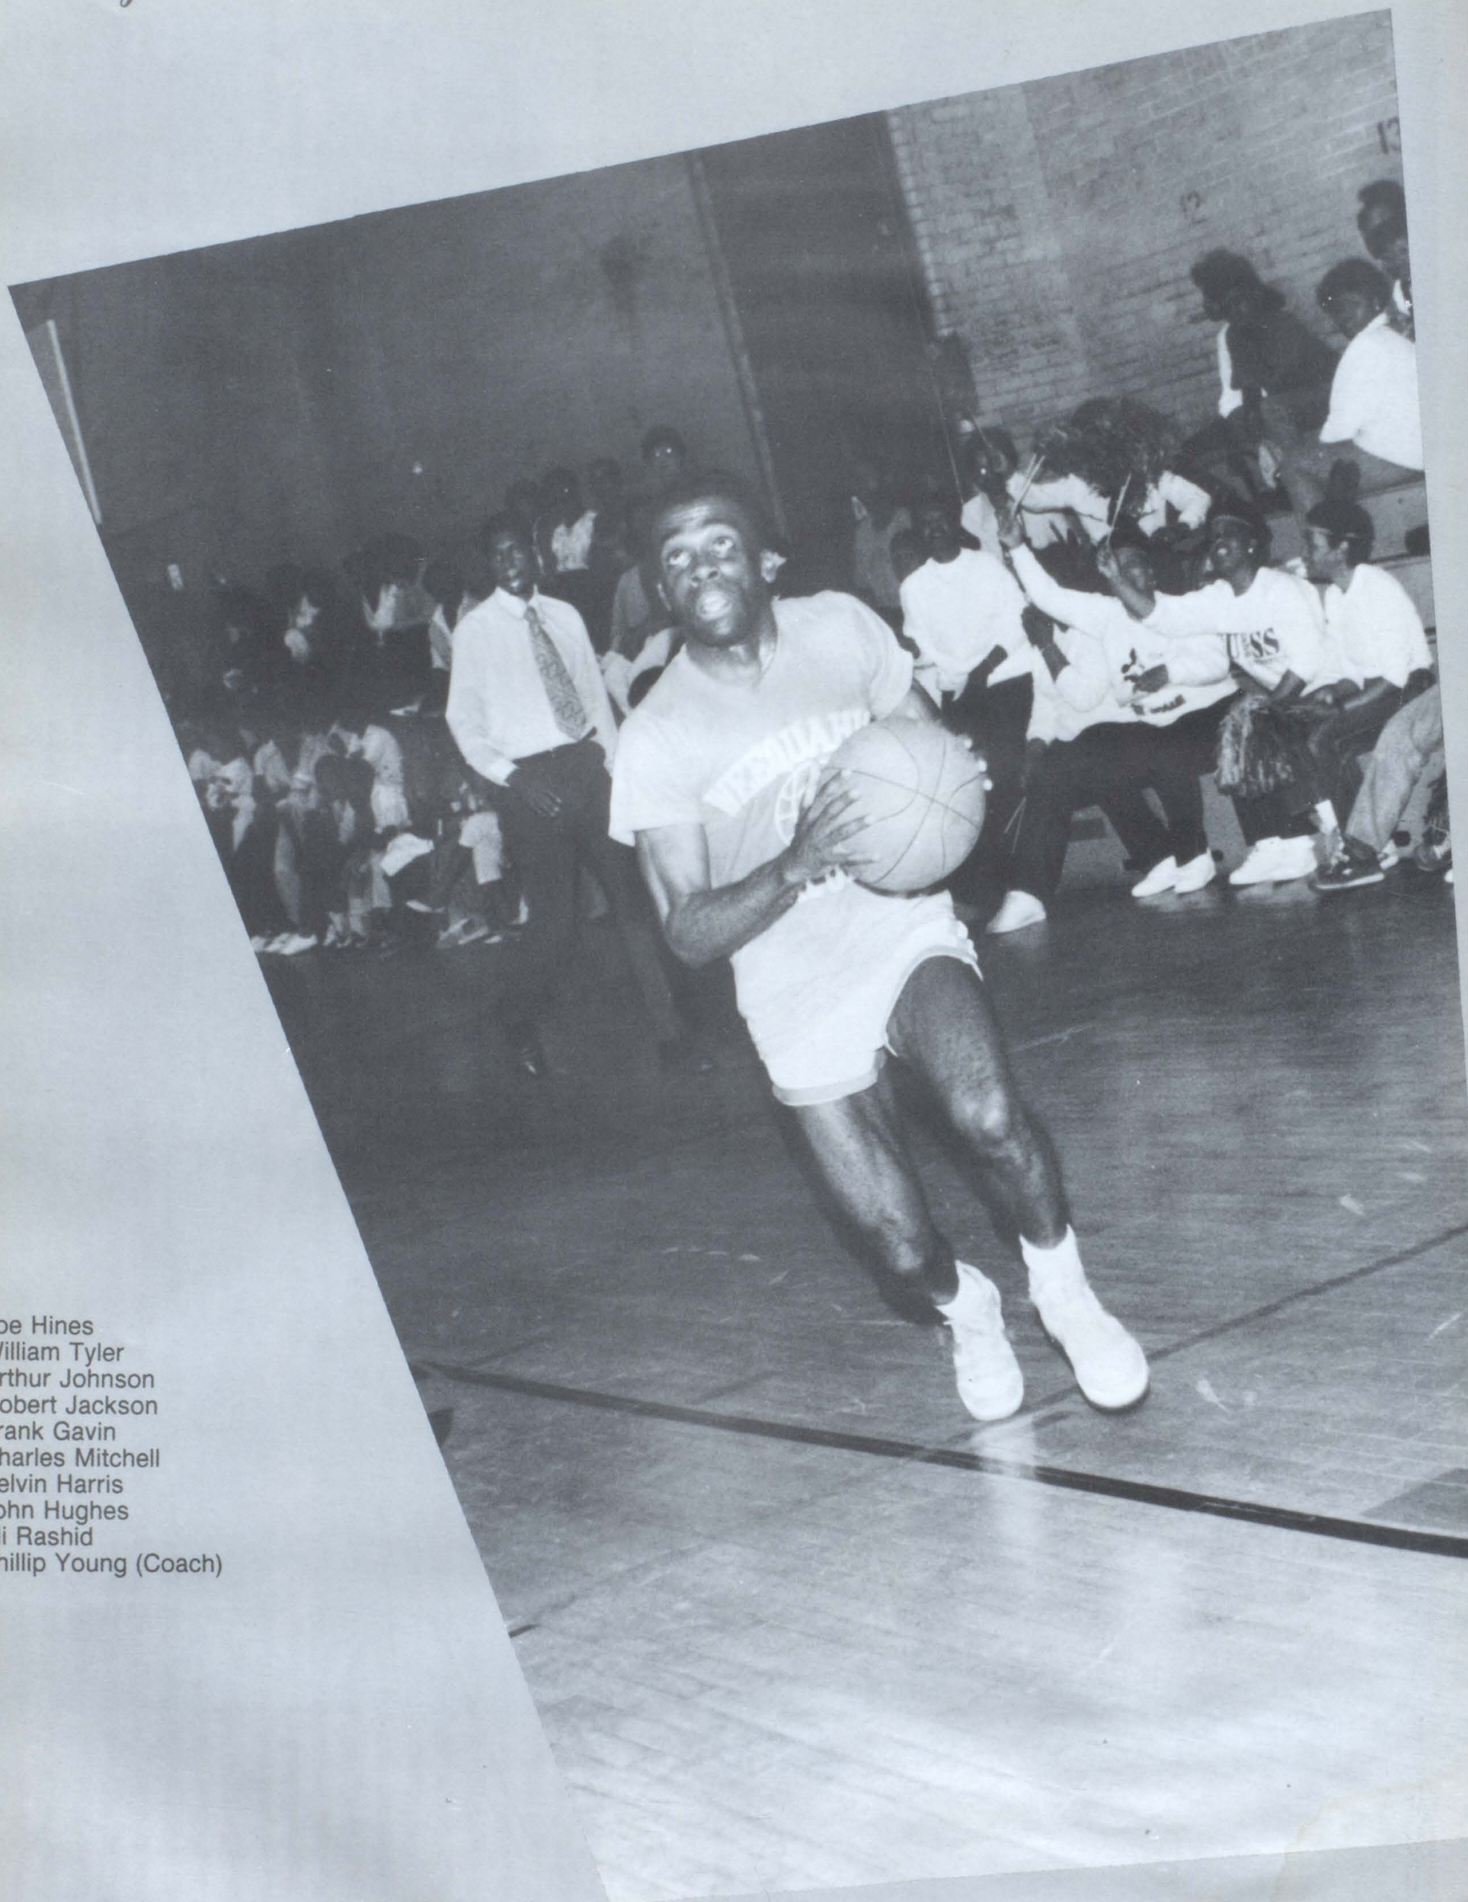

These lines are very familiar here at WHS. The teachers use them as they administer the High School Proficiency Test. This statewide testing system consists of three main parts, which are Reading, Writing and Mathematics. As the test goes on, the nervous clammy hand students search their minds for information. Most of them try not to resort to the popular random sampling method of Eeny, Meeny, Miny, Mo, relating back to past experience of what that type of test taking method can cause.

Knowing for sure that students must pass this test in order to receive a high school diploma, the student would slow down his mind from wandering and become more involved with the test. Nearing the finish line of test taking, everyone is indeed test drained and can't wait for the bell to ring. Finally the weekend is here. TGIF!!

W - When I was a freshman
E - Everything seemed to go wrong.
E - Everywhere I turned
Q - Questions seemed to surround me.
U - Undoubtedly, I became a sophomore . . .
A - Alas, I was an upperclassman.
H - Honored and admired by freshmen.
I - Ironically, I was once one of them
C - Carefully striving to be more.

H - Here I am, a junior,
I - Impatiently trying to become a senior.
G - Graduation is slowly nearing.
H - Heartily, we'll soon be cheering.

S - So don't settle for less.
C - Continue to do your best.
H - Hope you'll soon be saying,
O - "Oh what a great year,
O - Our class has finally made it".
L - Love, peace, and joy to all.
